Molteni & C. 9

Finished compositions H 2631

In addition to the standard elements necessary to build up any customized wardrobe, find below a number of pre-designed wardrobes H mm 2631.

Prices of the compositions are calculated with the external finish of the side panels in melamine structure and with standard handles without surcharge.

Backs are always in melamine.

The tatami and chestnut melamine finishes allow the creation of wardrobes with structures, side panels and doors in the same colour.

Wardrobes with START doors with “CV” handle available only with hinged opening.

Surcharge

Surcharge to be added to composition prices for different external side panels finishes.

Matt lacquer finish € **248** per pair

Glossy lacquer finish € **392** per pair

With external finish in wood, € **632** per pair

Surcharge handles

START door “M” handle € **48** each

GRIP door € **23** each

Supplementary cost for ‘LINEAR’ type invisible hinge € **200** per door, usable on:

FIND-ME door, matt lacquered colours, 3D lacquer, lunar, and wood

START door, melamine, matt lacquered colours, 3D lacquer, and wood

A FILO door, melamine, matt lacquered colours, 3D lacquer, and wood

HOLLOW door, melamine, matt lacquered colours, and wood

GRIP door, melamine, matt lacquered colours, and wood

Warning

SMART vertical lighting cannot be used with the Linear hinge

MODULARITY

Assembly

Assembly of a wardrobe in an alcove requires a minimum extra side space of 4 cm. This space can be reduced to 15 mm by using special hardware provided on request for the side compartment. Surcharge € **42** per compartment. This hardware may only be applied if there are open compartments, hinged doors and wooden side panels.

For hinged door wardrobes with lighting systems doors this product requires a minimum height of 5 cm. The height can be reduced to 15 mm by inspection on top Code **PAISPC01** € **173**.
